

Eli Lilly and Co. Ltd. is an affiliate of Eli Lilly & Co., headquartered in Indianapolis, USA. Eli Lilly is a leading innovation-driven corporation that is developing a growing portfolio of first-in-class and best-in-class pharmaceutical products by applying the latest research from its own worldwide laboratories and in collaborations with eminent scientific organizations. Eli Lilly provides answers -- through medicines and information -- for some of the world's most urgent medical needs.

In SAFE-T project Eli Lilly contributes to drug discovery and development processes; performance and analysis of pre-clinical and clinical studies, and translational research.
